Introduction

For CCSPC, 2013 is a year of fulfilment and the onset of more arduous journey towards the full implementation of its university status. After a long period of hard work and perseverance, Republic Act No. 10585 was finally passed in the House of Representatives and the Senate on February 6, 2013 and February 4, 2013, respectively. This law that mandated the conversion of the CCSPC into a state university to be known as the *Cotabato State University* was approved by His Excellency President Benigno Simeon C. Aquino III on May 24, 2013.

As a frame of reference, a 5-year CCSPC Strategic Plan (2014-2018) was prepared focusing on the six (6) operational requirements prescribed by the Commission of Higher Education (CHED) as enumerated in Section 26 of RA 10585. These are:

- 1) Level III Accreditation or equivalent under CHED policies for at least four (4) of its undergraduate programs, one (1) in liberal arts and one (1) in the sciences, and two (2) of its graduate programs;
- 2) Ratio of qualified full-time faculty with requisite degrees to number of students;
- 3) Adequate library and laboratories;
- 4) Research and development output of practical and commercial application to the community;
- 5) Relevant linkages and outreach programs that are of service to the community; and
- 6) Relevant academic policies, systems and processes.

Likewise, this Plan is anchored on the policy directions set by CHED as stipulated in the Road Map for Public Higher Education Reform (2011-2016). From the start, President Dr. Dammang S. Bantala has emphasized that conversion of the College into a State University will be highly dependent on its ability to comply with the CHED requirements. As mandated by this Act, full conversion into university status is slated on January 1, 2016.

On its first requirement, the College during 2013 was visited twice by the AACUP Team of Accreditors. The first survey visit was done on May 21-24 and the second on November 19-22, 2013. Ten (10) academic programs were the subject of the May 2013 Preliminary Survey Visit. In November, two (2), three (3) and four (4) academic programs applied for Levels III, II and I accreditations, respectively. Similarly, the College has likewise started complying with the other requirements set by CHED.

This 2013 Annual Report highlights the various events, accomplishments and performances of the College following its four-fold basic functions: instruction, research, extension and production. Notable accomplishments of the College during the year under review include the preparation and publication of the 2011 and 2012 CCSPC Annual Reports, approval of the College Strategic Plan and Proposed Organizational Structure of the Cotabato State University by the Board of Trustees, Students Achievements, Students Organizations and many others.

Its basic functions are instruction, research, extension and production.

CCSPC commenced offering a three-year non-degree program during the second semester of school year 1983-84 with 153 first year students. After almost three decades of existence, CCSPC now offers three (3) Pre-Baccalaureate Courses, 22 Baccalaureate, five (5) Master's, four (4) Doctorate Programs and a Laboratory High School (LHS). CCSPC HYMN

I

CCSPC the heart of Southern seas
Your banner is might
Your seal is light
A symbol of unity
In the land of Maguindanao

II

From your fertile soil 'neath the skies
Great men come by
Cradle of leaders like jewels so rare
You nourish your seeds with care
A fortress of peace in lasting stride
We hail your name far and wide

Chorus

Seat of wisdom, our home of truth and love
Your ideals we sustain
All throughout the land
The freedom we have gained along
Make the best in us for long
Your life and inspiration
Till the end of time

III

CCSPC

Our Alma Mater dear
Your portals so great
Your visions I'll take
To all humanity
